#### **New Year Celebrations:**

New Year's Day stands for a new beginning leaving behind the past year and past failures which remind us not to repeat. A new year is seen as the start of new beginning with new hopes and aspirations. It is time to celebrate with friends and loved ones. It is a chance for people to push back all of their negative experiences and to take a step forward with new vigour.

#### Sankranti Sambaralu

Sankranti is celebrated with full zeal on 14 of January every year. It marks the transition of the Sun god into the zodiac sign of Sagittarius to Capricorn which is also called Makara. This transition is called Makara Sankramanam. We celebrate this festival worshiping the Sun God for solar energy he provides for life and bountiful harvest. It is a festival that stands for progress, prosperity, sharing and caring.

# **Placement Day**

Placements give students an important direction to move forward in life. It allows them to choose whether they want to get right away into their profession life working in an industry or a company or to focus on future study.

## **Farewell Days**

A farewell is an expression of good wishes to people who are leaving the institute or place of work or residence. A farewell in an educational institution is organized to bid goodbye and wish good luck to students who are leaving. It conveys a painful message that they will be missed and a delightful message for their forward movement.

#### Samskruthi Fest
