# WINNERS

Winning is something that makes one feel proud. Winning is the act of achieving a goal or overcoming a challenge that provides some superiority by outperforming others in the set goal. We, at Malineni focus on participation which ultimately leads us to winning or learning or improvising ourselves. Our students participated in many competitions and excelled in many events. Our girls will always be ready to compete whether win or learn through experience. Here are some success stories which make us proud of our students.
