Sir,

Sub: Clubs - 2023-24- formation - execution - permission- sought-regarding

Advertting to the above cited subject, I hereby submit a proposal to constitute clubs for the academic year 2023-24 in order to enrich the socio-lingual and cultural potentials of the students as a part of co-curricular activities. It is proposed to constitute the following clubs:

1. Literary club
2. Music and Dance club
3. Art and Craft Club
4. Drawing and painting club
5. Theatre arts and Humour Club
6. Sports & NSS Club

All the above proposed clubs strengthen the potentialities of the students in the concerned aspect. Literary clubs explore the latent ability of the students both in oral and written communication which is essential for their bright future in profession and in life. Music and Dance that widens the traditional and cultural values of the students. It is not only an entertainment but also brings an overall improvement and balances the emotion levels. Art and Craft Club brings out their innate innovative spirit and enables them to given a shape to their innovative and creative ideas. Similarly, the Drawing and Painting Club is aimed to guide the children to draw and paint the pictures related to technical education or nature that enables them to mix and match the vibrant colours. Theatre arts and Humour club is meant for recreation. But it enables them to find the ways and means of adopting the modern technology which they have been learning in their course. Undoubtedly the sports club widens their chances of competing in all the athletic and sporting events at the inter collegiate and inter university competitions besides shaping them as worthy and healthy citizens. Kindly permit us to constitute the above clubs for the benefit of the students.

Thanking you,

Yours sincerely

AWARENESS PROGRAMME FOR THE 1 B TECH STUDENTS ABOUT CLUBS-2023-24

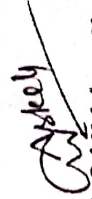

Dear students,

A warm welcome to all the students assembled to get awareness about the clubs - 2023-24. We are pleased to highlight the formation of Clubs, their functions and the way of enhancing the skills of the students to the fullest extent.

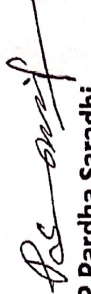

1. Literary club
2. Music and Dance club
3. Art and Craft Club
4. Drawing and painting club
5. Theatre arts and Humour Club
6. Sports & NSS Club

- Literary clubs explore the latent ability of the students both in oral and written communication which is essential for their bright future in profession and in life as well.
- Music and Dance that widens the traditional and cultural values of the students. It is not only an entertainment but also brings an overall improvement and balances the emotion levels.
- Art and Craft Club brings out their innate innovative spirit and enables them to given a shape to their innovative and creative ideas.
- Similarly, the Drawing and Painting Club is aimed to guide the children to draw and paint the pictures related to technical education or nature that enables them to mix and match the vibrant colours.
- Theatre arts and Humour club is meant for recreation. But it enables them to find the ways and means of adopting the modern technology which they have been learning in their course.
- Undoubtedly the sports club widens their chances of competing in all the athletic and sporting events at the inter collegiate and inter university competitions besides shaping them as worthy and healthy citizens

All the above proposed clubs strengthen the potentialities of the students in the concerned aspect. The club activities will be conducted on EVERY FIRDAY AND SATURDAY IN THE AFTERNOON SESSION. The topics for the week will be announced on every Monday, so that students can attend the club meeting well prepared. No Club activities will be conducted during the days of any examination.

REPORT ON THE CLUBS AND THEIR ACTIVITIES

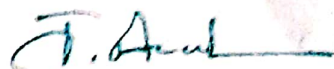

The club activities for the week were held as mentioned above and students participated and performed with a great enthusiasm. The objective of the club activity was achieved by bringing awareness among the students. They understood the significance of nature

1.Objective of the club

After concluding the week clubs programmes it was felt that the coordinators succeeded in making the children participate in club activities though at the beginning they were a little reluctant to participate actively. On seeing other children who were very active in expressing their view and ideas in the clubs the hesitant students also involved actively after being motivated by the faculty also.

No doubt, clubs make the children share their views, ideas, and techniques of doing the things in a better way. As we continue with various kinds of programs in the clubs, certainly by the end of the Semester we can make the children bold enough to showcase their innovative and creative ideas in due course. Every Clubs has its own unique role in shaping the students strong in every aspect.

2.Venue of the event: The event is conducted at Malineni Lakshmaiah women's Engineering College, Pulladigunta, Guntur, Andhra Pradesh.
