REPORT ON 8DAYS WORK SHOP:

1. Objective of the Event:

The objectives of employability skills are to help students and professionals develop the skills they need to be successful in their careers and in life. The ultimate goal of going to college is not just to get the degree, but to land a career as well. Obviously, employers want to make sure you are qualified for the job by having the appropriate degree, but they also need to know if you have the skill set too. The top skills are

- Critical thinking and problem solving
- Teamwork and collaboration
- Professionalism and strong work ethics
- Oral and written communications skills
- Leadership
- Communication
- Digital Skills
- Preparing for Interview.

The main motive of this program is to develop the students in a set of job-readiness skills are, in essence, behaviours that are necessary for every job and are essential attitudes that enable you to grow in your career and also efficiently help you: Connect with co-workers. Solve problems. Be a part of and understand your role within the team. By the end of the program students should be awarded with certificates.

2. Venue of the Event:

The event conducted at new building Seminar Hall of Malinenilakshmaiah women's Engineering College, Pulladigunta, Vatticherukuru, Guntur.

3. No. of Students participated: 32

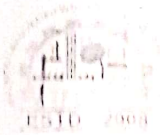

4. No. of faculty participated: 02

5. No. of resource persons participated: 01

8. Participant Feedback:

I am Neelima, studying 2nd MBA in Malinenilakshmaiah women's Engineering College. I have attended 8-days workshop on Employability Skills in our college. Firstly, I want to thank my college management for providing an opportunity to participate in learning Employability Skills. I attended the program from 02-05-2024 to 10-05-2024. I learn the various concepts from Employability Skills and having good experience to participate live examples with my classmates. This program helps to learn how to attend the Interview with confidence.
