#### Details of facilities provided in project laboratory

The department is well equipped with project laboratory (Room No- NB 103) which consists of 40 well configured computer systems loaded with Open with Open Source software with the configurations 64 bit windows 10 operating system 16GB RAM and 1TB,HDD.

1. All the systems are equipped with necessary software and the students are free to access the lab for their projects during and beyond the working hours.
2. All the Systems are equipped with necessary software and the students are free to access the lab for their projects during their course of project work.
3. Technical assistance is provided for the students for doing their projects.
4. Lab slots are provided depending on the progress in project work, if necessary.
5. Extra lab slots are provided depending on the progress in project work, if necessary.
6. Project laboratory is supported with Power back up system UPS 20/25 KVA (Room.No 102) and additionally by solar power 200KVA and generator having a capacity of 120KVA.

Table.1 Details of facilities provided in project laboratory

| S.NO | Name of the Facilities   | Purpose  | Utilization  |
|------|--|--|--|
| 1    | Core I3 Processor 16 GB RAM and 1 TB HDD and 21 inch LED Monitor | To develop application software related projects | UG/PG students and Faculty members utilize for their mini projects, projects and research activities |
| 2    | LCD Projector  | For Demonstrating                                |  |
| 3    | Open source software   | Used to perform front end design                 |  |
| 4    |  |  |  |

### STUDENT PROJECT-PROCESS

**Subjective:** The main objective of the project work for the students to learn and experience all the major phase and process involved in solving “real-life engineering problems”.

#### INITIATION OF THE PROJECT WORK:

- The students are initiated to select the projects, which are in line with department mission, vision and program outcomes.
- Students are provided with a brief idea of various fields for selecting the project ideas.
- The faculty members encourage the students to carry out in-house projects and support will be provided with all nCSE-DSsary software, information and required equipments.
- The faulty members encourage students to participate in project exhibitions. The project exhibition aimed at providing a common platform to exhibit their innovations and their work towards excellence in latest technology.
- The Faculty members encourage students to publish their project work in reputed journals/conferences.

#### PROCESS OF PROJECTS ALLOCATION TO STUDENTS:

- The faulty members are divided into groups as per their area of interest. They are
  - FULL STACK
  - AWS
  - MOBILE APPS
  - DATA SCIENCE
- The above areas of interest are not limited for projects
- A project Coordinator is appointed by the Head of the department, who is responsible for planning, scheduling and execution of all the activities related to the student project work

(An ISO9001:2008 Certified Institution)

Pulladigunta (Vil), Vatticherukuru (Md), Prathipadu Road, Guntur – 522 017 A.P.

### DEPARTMENT OF CSE - DATA SCIENCE

- The students are instructed to choose their area of interest and projects are identified based on recent trends in the industry.
- The students are divided into batches of 3-4 members.
- Guides are allotted based on research areas of faculty and students area of interest.
- The problem definition with their requirements and constraints are verified.
- The Project Coordinator will circulate previous project titles to all project guides and students so that same projects should not repeat.
- Students should meet their respective guides to discuss to finalize the tentative project title.
- Students with the approval of their respective project guide and project assessment committee will submit project titles to the project coordinator.

### PROJECT EVALUATION PATTERN

| Timeline  | Task                                | Particulars  |
|---|-------------------------------------|--|
| 1 <sup>st</sup> Week of 7 <sup>th</sup> Semester                      | Project batch Identification        | All Categories of students are made as one group(4 members per batch) as per their ranking of the marks(Best student, average student and below average student)   |
| 2 <sup>nd</sup> Week of 7 <sup>th</sup> semester                      | Call for project batch              | Students are invited to prepare their batch and get it registered with th project coordinator of the department. They will rCSE-DSive project batch identification number which is used as reference throughout the academic year. Students are instructed to submit the Title of the project in consultation with their respective guide in a given inform to the proect coordinator. |
| 3 <sup>rd</sup> Week of 7 <sup>th</sup> semester                      | Guide allotment                     | Guide will be allotted based on areas of interest  |
| 4 <sup>th</sup> Week of 7 <sup>th</sup> semester                      | Project title finalization          | The submitted project titles are reviewed by a committee consisting of project coordinator, Head of department and Senior Faculty  |
| 5 <sup>th</sup> Week of 7 <sup>th</sup> semester                      | Abstract Submission                 | Students are instructed to submit title-Abstract, Literature relevant to the study and give a power point presentation on their project(General Review by Project review committee-PRC)  |
| 6 <sup>th</sup> Week of 7 <sup>th</sup> semester                      | First Review-Part A                 | Students are instructed to submit design document of the project and give a Power Point Presentation for the project(Evaluation of Review – By PRC   |
| 10 <sup>th</sup> Week of 7 <sup>th</sup> semester                     | Second Review                       | Students are instructed to submit complete project report in the prescribed format by university and give a PPT on the project(Evaluation of Review-II by PRC)   |
| 11 <sup>th</sup> Week of 7 <sup>th</sup> semester                     | Project Internal marks announcement | The marks for the Project work is announced and processed according to the university regulations  |
| After completion of 16 <sup>th</sup> Week of 7 <sup>th</sup> semester | Final Viva-Voce-Part A              | Final Viva-Voce examination is conducted by a committee consisting of external examiner appointed by university, Head of the department and supervisor of the project  |
| 2 <sup>nd</sup> Week of 8 <sup>th</sup>                               | First Review-Part B                 | Students are instructed to submit design   |

### PROCESS TO ASSESS INDIVIDUAL AND TEAM PERFORMANCE

- I. Project Progress reviews are conducted once in every month by the team of their respective guide, a professor cadre faculty, an Associate professor and Assistant professor.
- II. The project seminar should be given by all the project team members according to the division of project.
- III. Each Student in the project team is assessed to their skill set to deliver the seminar, explain the concept and way to make project assess team to understand their work.
- IV. Each individual and team performance is purely based on this project seminar presentation and the viva voice and progress work which are based on the following points
  - Problem Specification
  - Project Synopsis
  - Work plan or Schedule
  - Documentation part
  - Cross platform ability
  - Progress report

### Impact Analysis

- ✓ New innovative ideas are born for project work
- ✓ Skills or abilities of students improved
- ✓ Knowledge on various aspect of project management was developed.
- ✓ Confidence level of the students was boosted.
- ✓ Improved teamwork spirit
- ✓ Implementation and development of the project for social benefits.
- ✓ Document preparation and presentation
- ✓ More tendencies to showcase their project work in project exhibition were observed.

**CIRCULAR**

This is to inform all the faculty members that project final internal review will be conducted on 17-5-2024 & 18-05-2024. All the respective project guides are informed to follow up their batches and make sure that their projects are completed. Verify the rough documentation (hard copy) thoroughly without any mistakes and sign, then forward to HOD for approval.

NOTE: Number of hard Copies for project final document thesis is

- 1 copy for each student
- 1 copy for HOD/department library
- 1 copy for respective guide
- 1 copy for central library
