DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING
REF:MLEW/ECE/FOC/R20

A.Y:2023-24

MINUTES OF MEETING (2023-2024)

A meeting has been held by the PAC regarding action taken on feedback reports, which were collected from various stakeholders (students, alumni, faculty and employers) of the ECE department. The PAC reviewed the feedbacks and after deliberations, the committee has prepared a report and submitted for perusal to the CAC (College Academic Council) to incorporate the possible suggestions to revise the curriculum. The CAC in turn has approved the curriculum for the academic year 2023-2024.

The feedback and action taken as:

S.NO.	FEEDBACK	ACTION TAKEN
1	Students provided suggestions on teaching learning.	Based on student feedback, it was decided to make teaching more practical by assigning real-world problems to encourage collaboration and innovation. The ECE department was instructed to integrate mini-projects into the syllabus to provide students with practical exposure to their field of study.
2	Students suggested that they should be imparted training on facing Job Interviews specifically for Campus Recruitment Drive	Mock interview sessions were conducted by the Placement Cell, along with regular training to prepare students for interviews. Communication skills sessions were incorporated into the regular curriculum, and regular aptitude and reasoning practice sessions were organized throughout the academic year.
3	Exposure to latest developments and advances should be known to the students	Experts were invited to share their knowledge with our faculty and students, providing opportunities for interaction with resource persons. Hackathons and bootcamps were also organized, which inspired participants to pursue higher studies and prepare for challenging and innovative career opportunities in the future.
4	Syllabus should be updated periodically to keep the students abreast with the latest trends in the industry	Departments were asked to add more specialization courses which were future of industry
5	More activities like hands-on workshops or training courses (certificate) of short	Departments were conducting various activities/ training programs/certificate courses on regular basis to enhance the skills of the students.

The report is prepared based on the feedbacks, PAC analysis and CAC decisions.

MINUTES OF MEETING

(2022-2023)

A meeting has been held by the PAC regarding action taken on feedback reports, which were collected from various stakeholders (students, alumni, faculty and employers) of the IT department. The PAC reviewed the feedbacks and after deliberations, the committee has prepared a report and submitted for perusal to the CAC (College Academic Committee) to incorporate the possible suggestions to revise the curriculum. The CAC in turn has approved the curriculum for the academic year 2023-2024.

The feedback and action taken as:

S.NO.	FEEDBACK	ACTION TAKEN
1	Students provided suggestions on teaching learning.	On the basis of Feedback given by the students it was decided to make the teaching more practical based. All departments were asked to design their knowledge imparting method in such away that its imparting method goes beyond lecture method
2	Students suggested that they should be imparted training on facing Job Interviews specifically for Campus Recruitment Drive	Mock Interview Sessions were conducted by the Placement Cell and regular training was given to face the interviews
3	Exposure to latest developments and advances should be known to the students	Experts were invited to share their Knowledge to our faculty and students. This helped them to interact with the resource persons and was motivated to do higher studies and take up jobs which has challenging future ahead.
4	More field trips/industrial visits to get the practical knowledge	The students were taken for educational tours department-wise. But they were restricted to reduce the trips due to pandemic
5	Syllabus should be updated periodically to keep the students abreast with the latest trends in the industry	Departments were asked to add more specialization courses which were future of industry
6	More activities like hands-on workshops or training courses (certificate) of short	Departments were conducting various activities/ training programs/certificate courses on regular basis to enhance the skills of the students.

The report is prepared based on the feedbacks, PAC analysis and CAC decisions.
